

BANCROFT PLAYERS
200 CLUB REPORT
Annual General Meeting
June 2026

Having re-read last year's report, I feel I should just recycle it and call it the "2026 Report", as yet more doom and gloom.

Our membership is now down to 77. And as reported last year, with the age demographic of the Club, this will continue to fall. We desperately need new members. I appreciate that times are hard for a lot of people but £12 a year is surely a small amount when ultimately you are helping to support this wonderful theatre. So please think about visiting the website and signing up online.

Because funds are not what they were, I sadly had to make the decision to cancel the Mega £50 June draw. And thus our contribution to the theatre is considerably less than I would wish. So, I am today handing Mark a cheque for £135. £100 from the Club, £20 winnings from Carole Phillips who kindly donated it back to help pay Amanda's wages (!) and £10 from Brian Hull, who also wanted his winnings to go back to the Club.

A short report, for which most of you will be grateful!

Paula Downes
